

Applicant: Philip J. Pietraski
Application No.: 10/698,721

REMARKS/ARGUMENTS

After the foregoing Amendment, claims 1-5, 12-16, and 32-36 are currently pending in this application. The Examiner is thanked for indicating that claims 38 and 39 contain allowable subject matter. Claims 1, 12, and 32 have been amended to incorporate the allowable subject matter of claims 38 and 39. Accordingly, it is respectfully submitted that these claims are in condition for allowance. Claims 38 and 39 have been canceled without prejudice. The remaining claims depend upon or have been amended to depend upon the allowable claims now in independent form and are, accordingly, also allowable.

Conclusion

If the Examiner believes that any additional minor formal matters need to be addressed in order to place this application in condition for allowance, or that a telephone interview will help to materially advance the prosecution of this application, the Examiner is invited to contact the undersigned by telephone at the Examiner's convenience.
